

THE GREAT ESCAPE ESCAPADES

Raising Funds & Awareness for Cystic Fibrosis Australia

May 2010

SPREADING THE WORD

By the time you read this, Teresa Carlson and Roz Thompson will be out in the CF corporate car making noise and promoting our Great Escape. They are embarking on a promotional tour right through the areas that this year's rally will be travelling. With brochures, posters, fundraising cans and all sorts of other ammunition on hand, they will be canvassing all the cities, towns and villages around our 2010 route.

This is a luxury we haven't had the resources for in past, but there is little doubt it will make a massive difference and have a huge impact on the event's public awareness.

A big hearty thank you must go to Teresa and Roz for taking on this role and anyone who knows them, would agree they are the perfect pair for the job at hand. A special thanks must also go to Sea Link, who are kindly ferrying them to Kangaroo Island and back at no cost.

KEEP THOSE ENTRIES ROLLING

Although we had a bit of a slow start to the year, we are pleased to say that things are now steaming along very nicely. Entries have been flowing in and things are looking very positive for the 2010 Great Escape.

It is most helpful to our event organising and management as well as your fundraising campaign that you get yourself signed up as soon as possible.

Before you can go out and approach anyone regarding fundraising/and or sponsorship, you first must be officially nominated in the event and have your fundraising authority letter from Cystic Fibrosis.

If you haven't nominated yet but are sure you are going to enter the 2010 Great Escape, please contact Sharon as soon as possible to get things rolling.

CF also have raffle books available to assist you with your fundraising, so we encourage you to take advantage of this simple and easy way to raise money.

The run this year is an absolute cracker and is definitely one not to be missed. So don't miss the boat, get nominated and start planning your Great Escape to Kangaroo Island.

DOOR STICKERS

Another reason to get yourself organised and entered is so you can get the 2010 door sticker on your car.

We are about to start printing these very soon. This year, the stickers will be sent out with your car number printed onto them. So it is imperative that you are officially nominated and you have your car number registered and locked in.

These will be available soon and will be sent out to those who are registered.

WORKSHOP SUPPORT

Over the past few years we have been very fortunate to have had Brian Marhein involved with our event. Brian is a great supporter of CF and the Great Escape and has been a tremendous help to many stricken entrants. You will be pleased to know, that this year, Brian Marhein and Nick De Stefani will be coming in an official capacity and will be a dedicated workshop/repair outfit. They will have their equipment spread between their two Hilux's and will be willing and able to

get you on the road again should you strike trouble, even in the remotest of places.

The image and professionalism of the Great Escape is a never ending job at hand and there is no doubt that this resource will be a valuable asset to the event and every entrant.

Even though we will have this great back up, it doesn't replace the need for pre event preparation and preventative maintenance, so make sure your car is well prepared before you leave home.

TYRES 4 U

We are pleased to pass on information about a great value deal that has been set up by Richard de Groot. "Tyres 4 U" is giving Great Escape entrants a discount of \$20.00 per tyre when they buy tyres from one of their outlets.

This discount has to be asked for and has come from Gregor Stone, Sydney Manager. When buying your tyres, it is essential that you mention his name and Cystic Fibrosis.

This discount amount will then be forwarded directly to Cystic Fibrosis Australia as a donation toward your car.

NEED A RIDE!

From time to time we have people contact us seeking a seat on the Great Escape. This can come in very handy, especially if you are short of a passenger and need someone to complete your crew. Everyone's wants and needs are different, so we don't get involved in marrying people up, but are happy to pass on details and let you do the rest.

We have been contacted by two people who are available should anyone require an extra crew member:
